

What is a Pre-Authorized Support Plan?

The Pre-authorized Support Plan is a safe and convenient method for busy people to regularly support the work of serving the Persecuted Church through the ministry of The Voice of the Martyrs. Through the Pre-authorized Support Plan, you can automatically send pre-approved donations that can be designated to projects that you want to support. By participating in the Pre-authorized Payment Plan you will:

- 1) **SAVE TIME** since you no longer have to remember to write a cheque and mail in your donation. Instead the gift is deducted directly from your bank account on the first day of each month or on the months you specify.
- 2) **SAVE MONEY** by not having to pay for postage. You also help The Voice of the Martyrs save money in postage and processing costs, thereby assuring that more of your gift goes directly to assisting persecuted Christians around the world.
- 3) **GIVE WITH CONFIDENCE.** You will know that your gift has arrived safely regardless of postal disruptions or mishandling. You will also know exactly how much you have given each month and for what project(s)

How to Get Involved:

1. **Decide on the amount that you would like to give and to what projects.**
2. **Fill out the attached authorization form on the right.**
3. **Enclose a personal blank cheque marked "VOID" to verify your bank information.**
4. **Mail the completed form and the void cheque to The Voice of the Martyrs.▶**

The Voice of the Martyrs has set up eight distinct funds to which you can especially designate your pre-authorized gifts to, thereby helping to fund specific kinds of ministry to persecuted Christians around the world that are in line with our purposes as a mission. Your pre-authorized gifts to these funds provide the means by which we can be your representatives in effectively serving the Persecuted Church.

1. **The Underground Church Fund** helps provide assistance and encouragement to believers in *severely* restricted areas such as much of the Muslim world and North Korea.

2. **The Families of Martyrs Fund** supplies the means by which VOM can provide encouragement and assistance to families left destitute by the imprisonment, death or exile of a father and/or mother because of their faith.

3. **The Relief and Development Fund** helps provide relief aid to needy, persecuted Christian families, job training, refugee assistance, and other practical means of meaningful help and encouragement.

4. **The Equipping the Saints Fund** helps meet the educational needs facing today's persecuted church in countries facing potential persecution by providing pastoral training, Bibles, Christian literature, and other similar projects.

5. **The Raising a Voice Fund** is especially designated to assisting The Voice of the Martyrs with the expensive task of communicating the needs of today's Persecuted Church to the free world through the use of electronic media such as the Internet, video, radio and television.

6. **Operation Christmas Blessing** is a fund designated to helping needy Christian children and their family in restricted countries in an annual special project every Christmas.

7. **The Legal Defense Fund** helps provide for the legal costs of Christians arrested for their faith. Such costs are often far beyond their ability to pay, thereby denying them of the opportunity to receive adequate legal representation.

8. **Jars of Hope** provides opportunities for you to regularly sponsor 1) a short-term microloan in a restricted nation that will equip a persecuted believer to become self-sufficient, 2) a child whose parents have been martyred, or 3) a theological student training for ministry.
